

LEGAL NOTICE

Without Prejudice

TO: The Hon. Sean Fraser, P.C., M.P.,
Attornatus Generalis Regis
RE: CCFR et al. v. AG Canada, SCC File
No. 41859

The Crown's chief law officer is placed on notice that a constitutionally protected liberty — predating Confederation, protected by the Constitution Act, 1867, and shielded by s. 52(1) of the Constitution Act, 1982 — has been denied by successive Acts of Parliament, including the Firearms Act, S.C. 1995, c. 39. The impugned instruments are void ab initio as against every rightful Heir to Canada's constitutional order. After this notice, every act continuing the encroachment is taken knowingly.
